

QUALITY POLICY

Winslow is committed to providing a quality product focussing on customer satisfaction and leading to sustenance, growth and business excellence in the civil construction industry. We are committed to continual improvement of our quality system and have implemented an Integrated Management System designed to meet customer requirements and exceed customer expectations.

To ensure consistency and delivery of our quality services, we will:

- Provide leadership through example, competency training and communication to establish a unity of purpose and direction for the company;
- Always deliver our projects on time and on budget through efficiently managed resources and activities;
- Ensure all management decisions are based on the analysis of data and information;
- Establish mutually beneficial relationships with customers, consultants, subcontractors, suppliers, industries bodies and statutory authorities to enhance value addition;
- Comply with all relevant legislation and regulations and all other requirements to which we subscribe;
- Establish and pursue measurable quality objectives and targets that focus on improving the quality of our product; and
- Through our Integrated Management System, maintain a certified Quality Management System in accordance with the requirements of AS/NZS ISO 9001:2016.
